

A topographic map of an urban area, likely a city center, showing a dense grid of streets and buildings. A red line traces a path through the urban core, starting from a circular area labeled 'META SALIDA' in the center. The path follows the main streets and turns to follow the contours of the terrain, which is indicated by yellow and orange contour lines on the right side of the map. The path ends near a river or canal on the right. The map also shows various other features like parks, open spaces, and infrastructure.
